RELATIONSHIP EDUCATION

The Department for Education is introducing compulsory Relationships Education for primary pupils. It will also be compulsory for all schools to teach Health Education. Through these subjects, we want to support all young people to be happy, healthy and safe – we want to equip them for adult life and to make a positive contribution to society.

You are invited to join us on Tuesday the 17th November at 5pm for a Parental Consultation via Zoom. Details to follow on Parent Mail.

DROP OFF AND PICK UP

Can we please remind all parents who come by car, to park safely and considerately when dropping off and picking up your children. Thank you.

CHILDREN IN NEED

Next week is Children in Need and the theme is Five to Thrive - making children's wellbeing our number one priority.

We will be using resources designed to help children feel better about themselves - as well as helping others.

On Friday 13th November, children will be allowed to come into school in their own clothes. As we will be working out with Joe Wicks and discussing mental and physical well being, we have decided on a 'Sporty clothes' theme. Please bring in £1 to help support this charity

Mutual Respect and Tolerance

We all have different families and some need more help than others. Famous people sometimes help us to understand how we can all do our bit to help people in need.

COMMUNITY NEWS

“Friends of Market Place Playground” – the start of something exciting!

[Grange Big Local](#) are having their very first, online “Friends of Market Place Playground” get together at **7.30pm, Wednesday 18th November** to kick-start their renovation project for the playground.

Improving play areas in our community has always been a priority for residents. As one of the biggest, open, outdoor spaces in our area, Market Place Playground has huge potential to be transformed into a buzzing community hub. But, we'll only be able to do it if we do it together!

This “Friends of” group is a brilliant opportunity for everyone to gather round and brainstorm creative ways of improving Market Place Playground, allowing us to renovate it into a welcoming and accessible space for all.

There's no pressure in terms of time commitments, so feel free to join in whatever capacity you can. Whether you want to take up a more formal role as Chair or Secretary, or if you just want to stop by for one-off clean-up and planting events, find out how to get involved at the online get together on the 18th.

Everyone is welcome - just click attending on the [Facebook event](#) and reach out at info@grangebiglocal.org or call on **020 3857 9492 ext. 0237** to get the Zoom details!

Sponsor Seek & Solve

1 WEEK left to complete –FINAL DAY MONDAY 16th Nov

Well done everyone who has completed the challenge so far.

We have raised £684 !! Thank you so much for your fantastic fundraising efforts.

Badges are being handed out in class today for all children who have completed.

We are aiming to raise £1000 so please everyone do have a go at the challenge. It only takes c. 45 mins (depending on how fast your child runs!), and is the perfect socially distanced recreational activity to keep everyone active during these socially distanced times. The money raised will go towards a Christmas treat for all the children and some savings towards long-term goals. It has been an incredibly tough year and it would be great to give them all a treat at this special time of year.

Once you have completed please send sponsor forms and pictures (where possible) to GetHTSA@yahoo.com
