Individual Liberty

If we choose to have a family pet, we must make sure we think first about all the different things our pet will need and make sure we look after it properly.

UN Rights of a Child

If the circumstances of our family life allow it, we may choose whether we would like to adopt a pet. Families will guide their children in how to meet the needs of the animals in their care.

Happy New Year!

What an odd start to 2021. Although the government say schools are 'closed'. We are very much open and all staff are working hard to provide a remote education or onsite education for our vulnerable children, children with an EHCP and critical worker children.

We love seeing the children twice a day during online registration and hope this is helpful for you at home too. We understand that your child may not be able to attend on some occasions, if your child cannot attend or you have difficulties please let us know.

We are providing video lessons and signposting materials for you to use both online and offline. Additional CGP workbooks and White Rose workbooks will be available to collect from school next week. We will also include an exercise book for you to be able to record any work in too. More information will be sent out on ParentMail when available.

I am attaching a quick feedback form to this email so that you can help us to continually reflect and improve our provision. You can also access it from this link <https://forms.gle/drLsgZko5b9UrpaM9>

Thank you for all your lovely comments that we have had so far. It really helps to keep moral high! It is so wonderful that our families are still very much part of the Holy Trinity family.

The school are signed up to the National Online Safety and as parents you are able to access any of their resources.

FREE Online Safety App for Parents & Educators! We're excited to launch our FREE mobile app, giving you access to instant information about the latest apps, games, devices & more.

GOVERNORS' NEWS

Happy New Year!

We find ourselves again in a lockdown, home learning situation. The leadership and the staff are working hard in providing, managing and adapting to our online learning platform.

We are dependent on the government to establish when it is safe to return to school. The SLT are monitoring changes and acting on them with health and safety as a priority.

In the meantime we would like to thank you for supporting our school during these challenging times.

YEAR 3—JOSIE AND ROSE'S POEM

*Everything is different
Everything has changed
Coronavirus has come
With a big exchange
Don't worry this won't be too long
When it ends we'll have a great party and song
Try your best to succeed
But if you don't no being mean
Hopefully we'll see you soon
Before June
And when we're back
We'll be singing a tune
Save the NHS
Do your best
Keep washing your hands
If we're all being smart
Keep two meters apart
We will start to see a change
Be happy whatever you do
Soon you'll be out and the cows will go moo
We'll be back together
And hopefully it will be forever
The End*
