

Hello Year 1,

I hope you are all safe and happy. Here is a suggested timetable of activities. Remember there is no expectation to do every task and please feel free to adapt them to your child's needs and interests.

From this week (1st June), I will be back in school preparing for and welcoming the return of some classes.

I am still your class teacher and I will continue to plan for your home learning. I will continue to send the Maths worksheets every day on Tapestry.

*Please understand that marking will be less detailed. I will continue to stay in touch regularly, maintaining Tapestry as a place to have our online community and celebrate work.
I hope you understand the reasons for this change.*

Wishing you all a safe and restful half term holiday.

Keep smiling!

Love from Mrs Christou xx
