<p><b>Zoom Meetings</b></p>	<p>Next week will be the last week for our Zoom lessons. It was so lovely to see so many of you! Dear parents, please remind each other, if you can, as some children have missed out. The details are on Tapestry and they are the same as this week. During these sessions we will continue cover multiple learning areas, including maths and literacy. We can not wait to see you there!</p>
<p><b>Transition Time</b> <b>Hello's and Goodbye's</b> Friday 17th July 2020 9.30 - 10.15</p>	<p>Nursery Picnic on the field with Nursery teacher Ilga and Reception teacher Miss Hunter!</p> <p>We are looking forward to welcoming our nursery children for a picnic. 2 metre social distance will be observed. I will collect the children from the <b>back gate</b>. Please ask you child if they would also like to bring a small 'teddy' to hold. Please could your child come with their own individual snack (could be biscuit, cake, fruit – please no chocolate bars or chocolate biscuits). Please could your child bring a drink, water, squash (please no fizzy drinks) in a plastic bag, which the children can sit on if it gets damp.</p> <p>Please let me know via Tapestry or email: <a href="mailto:yn@holytrinity.barnet.sch.uk">yn@holytrinity.barnet.sch.uk</a> if your child not be able to attend this event. Thank you!</p>

# Maths

Dear Parents,

Many of you have asked for extra challenges in Maths. I have also had positive feedback about White Rose Maths. This is our penultimate home learning week before summer holidays and I hope you will enjoy these activities with your children!

<https://whiterosemaths.com/homelearning/early-years/>

Under early years section there are weekly planned activities having a book as a core.

Under week 9 we have "Zog" I think our nursery children would enjoy these challenges and are ready for them, except recording answers, may be. You can access power points online or just use some of the ideas below. Have fun!

## Starting with a Story

Reception

### Talking Together

Remember you have to pick 7 colours but they don't have to be the same! Have a think! What name will you give your rainbow?

Remember it is the first letter of each colour.

Do you like mine?

Blue, orange, red, purple, pink, avocado, turquoise.

BORP PAT!

There are lots of different colour names. Can you find some unusual ones?

## Starting with a Story

Reception

### Talking Together

Rainbow patterns. Rainbows have a special 7 pattern.

We have been drawing a lot of these lately. Some people have a rhyme to remember the colours of the rainbow!

Red, Orange, Yellow, Green, Blue, Indigo, Violet.

They say it is a boys name!

ROY G BIV

Can you create your own rainbow and give it a name?

## Zog is a star!

Zog earns his star for catching princesses. Can you help add stars to his star chart?

## Starting with a Story

Reception

### Talking Together

Zog has been so successful. Look at all his stars!

How many does he have?

How many would he have if he had 4 more?

## Dragon School Rules!

Dragons don't have the same lessons as children. Have you ever had a lesson in how to catch a Princess? This might be that they have different rules?

## Starting with a Story

### Talking Together

Zog studies for years at Dragon School.

Learning to roar and to breath fire and to fly.

What school rules do you think dragons will have?

They might be a bit different to the school rules you are used to!

## Starting with a Story

### Talking Together

Can you come up with 10 or even 20 rules for dragons?

Do not fly in the playground.

Do not breathe fire inside!

You must only eat princesses in the dining room.

### Flying doctor biscuits

Lots of us have been doing baking recently. We know how helpful the flying doctors were to everyone in the story.

Use your skills in weighing and measuring to make flying doctor biscuits. Who could you bake these for.

### Gingerbread People

Ingredients (A grown up)

- 350g/12oz plain flour plus extra for rolling out
- 1 tsp bicarbonate of soda
- 2 tsp ground ginger 1 tsp ground cinnamon
- 125g/4½oz butter
- 175g/6oz light soft brown sugar
- 1 egg
- 4 tbsp golden syrup

**To decorate** - writing icing /cake decorations  
(Colours that doctors/nurses /paramedic's might wear.)

### Talking Together - How to make your Gingerbread NHS

1. Sift together the flour, bicarbonate of soda, ginger and cinnamon and pour into the bowl. Add the butter and stir until the mix looks like breadcrumbs. Stir in the sugar. (Use a food processor if you have one to make it easier.)
2. Lightly beat the egg and golden syrup together, add to the mixture until the mixture clumps together. Tip the dough out, knead briefly until smooth, wrap in cling film and leave to chill in the fridge for 15 minutes.
3. Preheat the oven to 180°C/160°C Fan/Gas 4. Line two baking trays with greaseproof paper.
4. Roll the dough out to a 0.5cm/¼in thickness on a lightly floured surface. Using cutters, cut out the gingerbread people shapes and place on the baking tray, leaving a gap between them.
5. Bake for 12-15 minutes, or until lightly golden-brown. Leave on the tray for 10 minutes and then move to a wire rack to finish cooling. When cooled decorate with the writing icing. Who will you make?
