

Dear Parents/carers,

I hope everyone has had a great first week back after half term.

Here are the suggested activities for next week.

Any activities with this icon will mean that this is a lesson that has been pre-recorded with my voice over, however this will only work if you open it via PowerPoint and will not work on the pdf version.

Have a lovely weekend.

Stay safe and well.

Best wishes, Mrs Man

### Designer pattern outfit!

The princess loves her spotty princess outfit and the wizard has a cloak on.

Can you design your own shape themed clothes?

Which shapes will you choose?

### Days of the week!

The wizard has a challenge for the princess every day!

Can you give yourself 7 challenges?

### Wizard counting!

The wizard loves counting when he waits for the princess to hide looking in his spell book!

Make your own special wizard-counting book!

It was Princesses party and she had some guests for her party.

If you could have your party who would you invite?

Can you use your phonics to write a list of all the people that you would like to invite to your birthday party.

### R.E

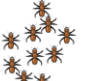

Who cares for this special world and why?

Please look on Tapestry for this or click on the EYFS home learning page on our school website labelled "Who cares for this special world?"

### Bad spells!

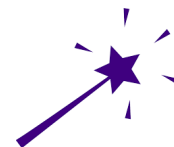

The wizard has been doubling everything so there's far too much food at the princesses party!

Can you help to halve what is on the plates so we are not too greedy?

The princess's crown has lost some of its jewels!

It has to match the same on both sides!  
Can you help her create her beautiful crowns again by matching the shapes and putting them at the right distance?  
They need to be symmetrical!

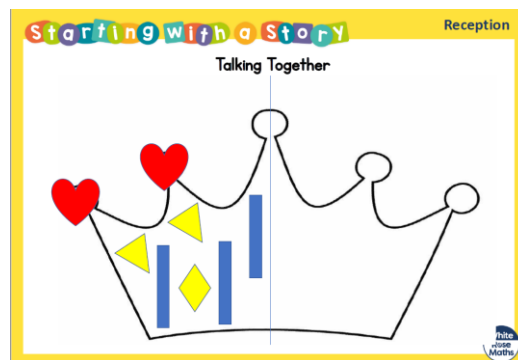

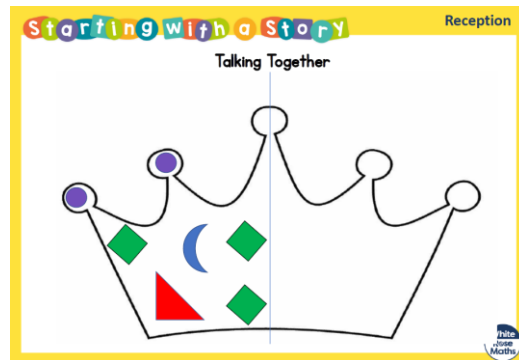

Here are two rhyming spells. Can you read the spell (or get your grown up to read it to you) and work out what you think might be missing to make the spell work. Remember it must rhyme which means that the ending
