BACK TO SCHOOL

Staff have been busy preparing the school for the Year 6 children's return next Monday. We are very proud to say that most of Year 6 will be coming back to school!

Year 6 children, if you have not done so already, please look on class Dojo for the videos for information about your first day. We are really looking forward to seeing as many of our children as we are able to again.

Timekeeping

Please may we remind parents that children **MUST** be on time, if your child is late and their bubble has already gone into school, they will not be able to enter the school until 10am when all the children are safely inside. This is to avoid cross-contamination of bubbles.

Playgrounds

Can we also please remind parents to not enter the school playgrounds. This is not a decision that has been taken lightly and is in line with government guidelines, to ensure the safety of your children and our staff.

Reports

Please look out for your child's report which will be emailed to you through ParentMail next week.

If you need to contact the school, please either phone or email the school office and we will get back to you as soon as we are able to.
