## EASTER MESSAGE

As we enter into Step 2 of the Government's Roadmap to coming out of lockdown, we take time to reflect upon the challenges this year has brought to so many of our families and friends. We pray for those all over the world who have suffered loss and hardship during this time. At Easter time we draw strength from the sacrifice and love of our Lord Jesus Christ. He is our comfort, our strength and our hope in the face of challenges.

We are aware that many of you will be able to see family and friends that you haven't seen for a while. I hope you all manage to have a restful and fun filled Easter Break and look forward to starting the Summer Term on Tuesday 20th April.

### EASTER

Thank you to the HTSA for providing Easter Treats for the children. This year the Juniors enjoyed an Easter Quiz to earn their treats, while the Infants spotted the Easter Bunny and went hunting for his eggs.

### WRAPAROUND CHILDCARE/ACTIVITIES

You should have received details of our Wraparound Childcare (via ParentMail) for the summer term. Clubs which are payable via ParentPay are now live and are filling up fast. Please ensure you have booked by **Monday 19th April**.

### PARENTAL ZOOM CONSULTATIONS

Can we please remind all parents to book their slots via ParentMail. If you haven't yet booked a slot, 'How to' instructions can be found on newsletter number 24 and 25. Remember, this is your opportunity to speak to your child's teacher about how your child is getting on at school, and also to raise any questions you may have.

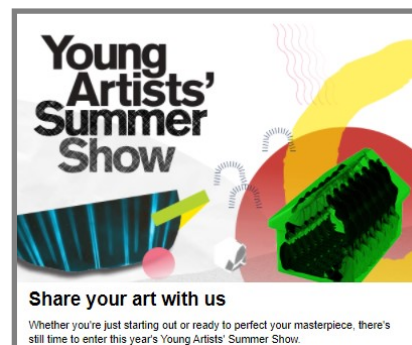

This Easter holidays children may wish to get creative and do some art activities. The Royal Academy has some great “how to guides” which cover a range of inspiring art videos to show how to do many techniques from weaving using recycled plastic, film making and fruit printing. You can see the videos here:

<https://www.royalacademy.org.uk/articles/tag/family-how-to>

As an **optional** holiday activity your child may like to enter the Royal Academy summer exhibition for children. When the artwork is finished think of a title and upload a good quality photograph (on a neutral background with camera at same level of artwork) onto google classroom. You can see previous exhibitions for ideas.

We will submit one piece of work from each class into the exhibition. Each submission should include a title and a short statement to accompany the work. This statement should add context to the work and often helps the judges understand the work better. Wherever possible, the statement should be written by the artist in question and should attempt to include information about why they created the work and what it means to them.

## CAN YOU HELP?

Miss Hunter would like to build a water wall for the children to play with when the weather gets warmer. If anyone knows someone who works in the building/plumbing trade that can get hold of some offcuts of pipes, tubes, guttering or big cable ties, Reception would be super grateful! Please leave any donations in the box outside the school gates. Thank you.

## FUNDRAISING WALK

Henry Austin has raised more than £1,000 for charity by walking 100km

Henry Austin in year 6 is walking 100km by the 3rd may to raise money for JDRF a charity that supports diabetes. Henry was diagnosed with type 1 diabetes in July 2020. Type 1 diabetes is when the body's pancreas doesn't create insulin which keeps your blood sugar levels the same when you eat. Henry started this challenge with the aim to raise 100 pounds but thanks to the generous support from friends and family he has raised 1,000 pounds. Special thanks to all of his friends who have sponsored him and have done a walk with him.

We wish him the best and to get to 100km. Keep going!
