MUSIC AUTUMN TERM 2021

BEAT have asked us to book for piano and recorder lessons for the Autumn Term. We will be sending out a booking form after half term via ParentMail. So please have a think whether this is something your child maybe interested in.

- Piano is open for children in Years 3—Year 6 and is an individual 15 minute lesson each week. The cost for the term will be £105. Children will need access to a keyboard to practice in between lessons.
- Recorder is for children in Years 2—Year 6 and children are taught in small groups (normally within their own year group) and each child gets the equivalent of 7.5 minutes per week. The cost for the term will be £52.50. Children will need their own recorder.

YEAR 2 ALLOTMENTS

On Wednesday Year 2 were extremely lucky to be invited to Mrs Davidson's allotment. This supported our science topic, all about growing plants. It was so interesting to see all of the different fruits and vegetables. We even got to taste fresh rocket salad, an edible flower called borage (which tasted like cucumber) and Mrs Davidson's delicious damson jam which made from damsons grown on the allotment. We also had fun exploring the woods and ended our morning having fun in the Cherry Tree Woods playground.

SPORTING NEWS

On Wednesday, after school, Year 6 played a few friendly matches with Akiva. It was lovely to be a part of an intra-school competition again, giving all of year 6 the opportunity to be involved. They were proud to win 2 out of the 3 matches they played. Thank you to Mr Ritson and Christiano for their coaching and refereeing and to Mrs Huegdon for organising the event.

We hope you all have a lovely Half Term and look forward to welcoming all the children back on Monday 7th June at normal time.

DATES FOR YOUR DIARY

British Values

24th – 30th May 2021

Mutual Respect and Tolerance

Some people have a favourite toy because they like the way it feels. We might have a toy at home or something in school. We must remember that everyone's toy is special to them.

UN Rights of a Child

Every child's sensory needs are different, whatever their gender, culture, nationality, religion or whether they have a disability or not. No child should be treated unfairly because they have different sensory needs.

24th-30th May
Do we choose what toys to play with because of the way they feel?
