SHINE!

The infants have been working very hard and are getting very excited about their show. Tickets have now been allocated and extras released.

Please ensure you arrive in plenty of time, as unfortunately due to the layout of the hall we will be unable to admit latecomers.

Can we please remind you that younger children and babies will not be admitted, but we are offering a crèche for the Wednesday afternoon performance only. Please remember children/babies must be pre-registered so that we can ensure we have the correct ratio of adults to children. **If you are able to help with the crèche please let the office know.**

PARENTMAIL

This week we will be sending the newsletter out by ParentMail as well as by email. We are starting to send information out via this medium and will only be using ParentMail from January, so would urge everyone who hasn't done so, to download the app. We have noticed that some of you are reporting your child's absence via the app. Thank you for this, we will ensure that we check this daily.

There are laws in place to help keep animals safe. When we find animals we don't like, we should think about how they feel and make sure we do not hurt them.

HTSA NEWS

Winter Fair

THANK YOU to everyone who came along to our Winter Fair at the weekend. We raised a whopping **£2775** for the school and the children. It was a crisp sunny day and everyone looked they had a great time with a lovely performance by the choir. A massive **THANK YOU** to James for coordinating and planning the event and the advertising, not to mention securing the huge array of brilliant raffle prizes and designing a Lego based 3D camera to use on the day. **THANK YOU** also to the many parents that helped with bringing in toys, books, Jarbolas, cakes, food dishes; buying presents for the Grotto and Presents room; transporting table football tables around; stocking and manning the kitchen, bar and bouncy castle - in addition to all the coordinating, preparing and running of the many stalls! A big **THANK YOU** also to all the staff who helped out in so many different ways in advance and on the day. It is all very much appreciated and the fair would not be possible without all of you!

Nativity play & Mince Pies

We are planning to sell mince pies to parents and carers as they queue to come to the nativity performances next week. If you would like to make mince pies with your children over the weekend and bring into the office that would be amazing. Please also don't miss the opportunity to buy one or two mince pies whilst you queue on the day.

The Giving Machine

Just a reminder about registering with The Giving Machine which raises £'s for the school for free when you click on www.thegivingmachine.co.uk in advance of making purchases online at John Lewis, Amazon, eBay and many more

GOVERNORS' NEWS

Holy Trinity School needs your help!

Letters went out to parents last week requesting your contribution to the Diocesan buildings' maintenance fund. The letter explained all about the maintenance fund and how it has helped Holy Trinity School in the past.

We would like to remind you that the school has to pay the full amount due each year, regardless of how much money is received from parents. Therefore, every pound that parents contribute means the school can keep another pound in its coffers to spend on curriculum support and enrichment activities. We appreciate this can be a difficult time of year to be spending money, so you are able to spread the payment if you prefer. As always if you can't afford the full amount then we welcome whatever contribution you feel able to make. Your contribution can now be paid via Parent Pay. Please can we also ask that you complete and return the gift aid declaration if you are a UK Taxpayer. Thank you for your support.

Governor Surgery

The notes from last months governors' surgery are now available on the school website.
