What do you need to do?</p> <ul style="list-style-type: none"> • Write the invitations • Decorate the party place • Set the table (could be pretend or real food in tiny portions, with grown ups permission 😊) • Choose the music • Have a party! 
<p>Bird watching</p>	<p>What is your favourite bird? I love all the birds, but one of my favourites is green woodpecker. They are really good at hide and seek!</p> <p>This week we would like you to continue looking closer into the nature. We have been learning about many birds we can spot around us. <p>Zoom Meetings</p>	<p>We will continue to offer children lessons online through zoom. From next week I will set up new log in that will stay the same. Hopefully this should help with technical glitches. During these sessions we will cover multiple learning areas, including maths and literacy. Zoom group details and links will be Tapestry. The link does not work on app, you have to log in through the browser. We can not wait to see you there!</p>
<p>Phone calls</p>	<p>I have tried to phone everyone this week to have a summer term parent-teacher catch up. Unfortunately, many of you were unreachable. This might be due to me using "no caller ID" for outgoing calls. If you would like to have a phone meeting, please contact me via Tapestry or email to arrange a specific time for me to phone you any day after 3:30. Thank you!</p>
