

Dear Class,

From this week (1<sup>st</sup> June), I will be back in school preparing for and welcoming the return of some classes.

I am still your class teacher and I will continue to plan for your home learning.

Please understand that marking will be less detailed. I will continue to stay in touch regularly, maintaining Class Dojo as a place to have our online community and celebrate work. Weekly Zoom meetings will continue as usual.

I hope you understand the reasons for this change.

Miss Lennox
