

Dear Year 3,

Welcome to a new week of home learning! Well done for your excellent work in our zoom lessons this week, it was so lovely to see you.

Barnet Libraries is hosting a 'Draw the East Finchley Archer' competition! Open for children 3+, the challenge is to draw the archer in any colour.

Take a picture of your drawing and email it with your contact details to libraryevents@barnet.gov.uk and add it to their Facebook & Twitter pages. I would love to see your entries on Class Dojo as well!

The winner will be selected by Rob Biddulph and the best drawing will win a copy of Rob's brand new 'Draw with Rob' book!

I miss you all lots, keep up the hard work!

Sending lots of love

Miss Hunter xx

Year 3 Home Learning Plan 22.6.2020

| | English | Maths |
|-----------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Monday | <p>Report: Reading Comprehension - Fact Retrieval</p> <p>In this lesson, we are going to retrieve information using a non-chronological report.</p> <p>Printable worksheets can be downloaded from the school website.</p> <p>https://classroom.thenational.academy/lessons/reading-comprehension-fact-retrieval-573214/</p> | <p>Lesson 1 – Add lengths</p> <p>https://vimeo.com/427994247</p> <p>All worksheets are on the school website. For more of a challenge, try the Shapes on the Playground activity here.</p> <p>If your child finds this too challenging, use the link below. <i>The easier level moves on to Year 3 objectives this week.</i></p> <p>Measure length https://vimeo.com/425555378</p> |
| Tuesday | <p>Report: Reading Comprehension - Language</p> <p>In this lesson, we are going to explore language questions using a non-chronological report.</p> <p>https://classroom.thenational.academy/lessons/reading-comprehension-language-783a5e/</p> | <p>Lesson 2 – Subtract lengths</p> <p>https://vimeo.com/427994372</p> <p>If your child finds this too challenging, use the link below:</p> <p>Order length</p> <p>https://vimeo.com/405439587</p> |
| Wednesday | <p>Report: Identifying the features of a text</p> <p>In this lesson, we are going to explore the features of a non-chronological report.</p> <p>https://classroom.thenational.academy/lessons/identifying-the-features-of-a-text-a559ca/</p> | <p>Lesson 3 – Measure perimeter</p> <p>https://vimeo.com/427995490</p> <p>If your child finds this too challenging, use the link below:</p> <p>Equivalent lengths (mm and cm)</p> <p>https://vimeo.com/425555747</p> |
| Thursday | <p>Report: SPaG focus - Adverbials</p> <p>In this lesson, we are going to focus on the use of subordinate clauses in a letter.</p> <p>This skill will also be practised in our Zoom calls.</p> <p>https://classroom.thenational.academy/lessons/spag-focus-adverbials-570003/</p> | <p>Lesson 4 – Calculate perimeter</p> <p>https://vimeo.com/425555865 Calculate perimeter</p> <p>If your child finds this too challenging, use the link below:</p> <p>Compare lengths</p> <p>https://vimeo.com/425555865</p> |
| Friday | <p>To write a non-chronological report</p> <p>In this lesson, we are going to write a non-chronological report.</p> <p>https://classroom.thenational.academy/lessons/to-write-a-non-chronological-report/</p> <p>If you would like more writing activities, try the Creative Writing Challenge on the school website.</p> | <p>Choose a Friday Maths Challenge!</p> <ol style="list-style-type: none">1. Download the Maths challenge sheet from the school website and have a go!2. Complete the times table/division challenge!3. Play the Perim-Bots game to practise drawing shapes with different perimeters! |
