

Dear Parents/carers,

Wow, what a journey this lockdown has been!

This is now week 14 of home learning. When we first went into lockdown, I do not think that any of us imagined that 14 weeks later, we would still be home learning.

I would like to say a massive well done to all the children who have been amazing throughout this lockdown. It is not easy to stay motivated to do school work at home, but I have seen all your amazing efforts, so well done to everybody! I am very proud of you all!

But without all you amazing parents, the children would not be able to access any of their home learning. I know how challenging it has been, especially as many of you were also working from home. A massive THANK YOU to you all for your continued support with everything; including uploading work onto Tapestry for me to see, but also ensuring that your children were able to access the zoom lessons with me. This meant we could still stay connected (virtually) throughout this. I have thoroughly enjoyed it. This has certainly reminded me of just how much I love being in the classroom and teaching and how much I have missed the children.

For the final time this year, here is the home learning timetable along with some additional worksheets.

I would like to wish you all a well-deserved and restful summer break and I look forward to seeing you ALL in September.

Stay safe.

Best wishes, Mrs Man xxx's

Talking Together - Guess my Rule

Animal Patterns

Now we have got some of the different features of the animals it is time to put them into patterns. Can you identify the pattern?
Remember its about picking out 1 feature of the animal not just looking at what that animal is!

Starting with a Story

Talking Together

It's time to create your own patterns using the features of the animals.

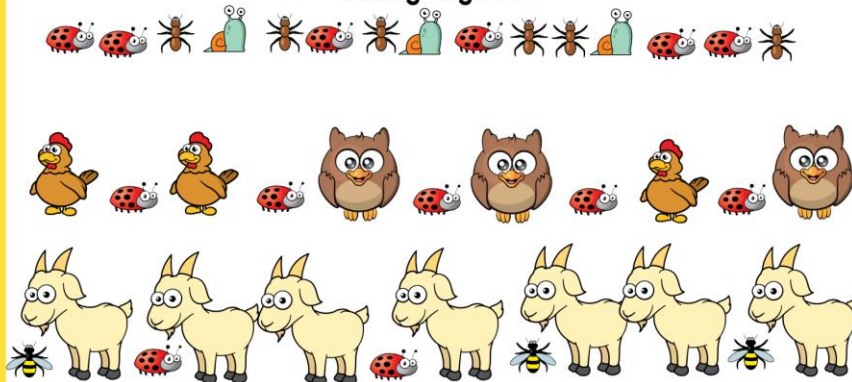

What will you decide?

Could you invent your own with some different animals?

Starting with a Story

Talking Together

Ordering the animals!

Time to use your counting skills to order the animals from the fewest number of legs to the greatest! Get counting!

Starting with a Story

Talking Together

Order the animals by the number of legs they have.
Start with the animal with the fewest legs.

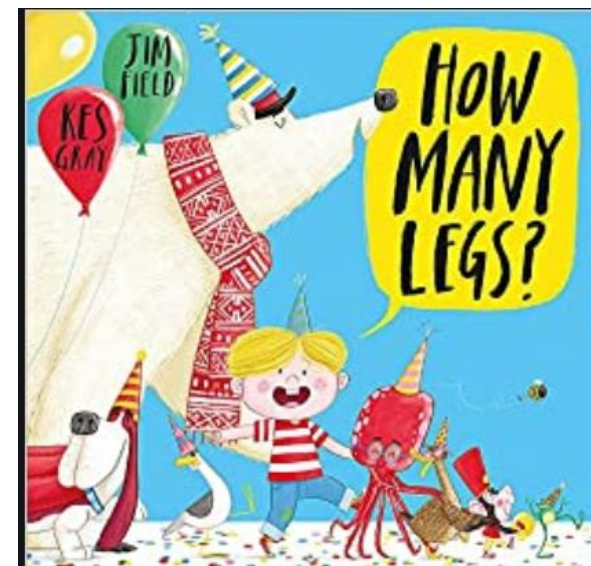

White Rose Maths

Tuesday

Make your own legs book!

You can do this with the people and animals in your house. (If you want it can be feet instead!)

These can be real or completely made up! You can include your pets. Include pictures or drawings to make your book come alive.

Starting with a Story

Talking Together

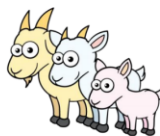

A large empty rectangular box for writing.

Starting with a Story

Talking Together

Some more characters have come to join us!

Can you do the same with these groups of legs?

Maths

Animal combo addition!

Combine the legs to do some addition in 2 different ways.

First we will start with an amount and add another creature. Then we will add groups together!

Starting with a Story

Talking Together

We will start with a given amount. Here we have two goats.

How many legs?

One more goat comes along. How many legs now?

Maths

Practise your phonics and blending by reading the ditty sheet below.

Choose one of the green words below to write a sentence.

Ditty 15: pens

Speed Sounds - read the sounds (not the letter name)

ck d u a e t f p n i r b

Green Words - read these words by blending the sounds together

pick bad red fat pen up

Red Words - read these words but tell your child the word if they get stuck

I

I pick up a fat pen

I pick up a red pen

I pick up a bad pen

Remember not to read the Ditty to your child first.
As your child reads the Ditty, be patient and give your child plenty of praise.

Maths

I am Game!
We will tell you how many creatures or characters our number is.
Your leggy mission is to find the combination of animals.

Starting with a Story

Talking Together

We will give you the special number of legs. Combine the creatures to make the number of legs. You might use 1 creature or 2 or 3 to make the number of legs we need! You can only use each creature once.

Friday

Starting with a Story

Talking Together

We are 2 creatures. We have 0 (no) legs.

Your favourite memory

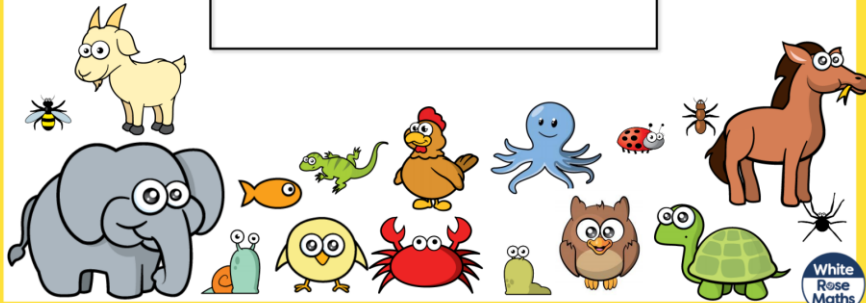

This is your last official day in Reception. Write down one of your favourite memories of being on Reception.
It could be something you remember seeing or something you did that you remember fondly.

Starting with a Story

Talking Together

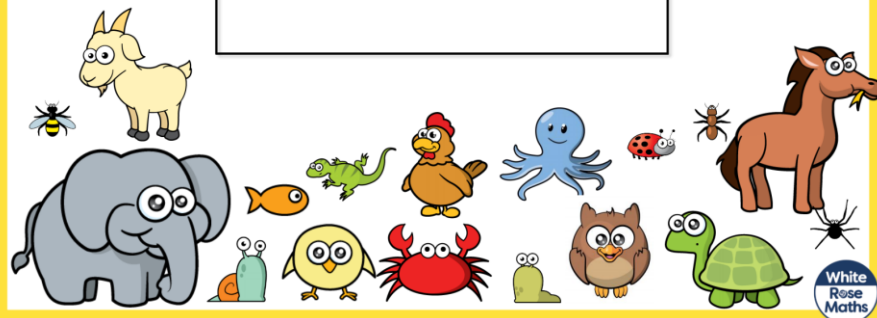

We are 2 creatures. We have 6 legs.

Starting with a Story

Talking Together

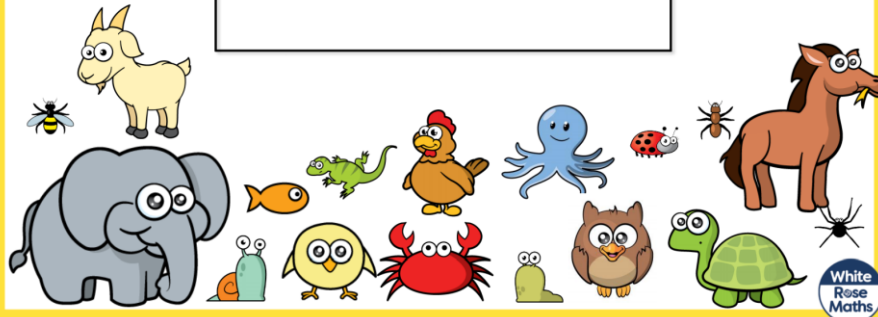

We are 2 creatures. We have 4 legs.

Starting with a Story

Talking Together

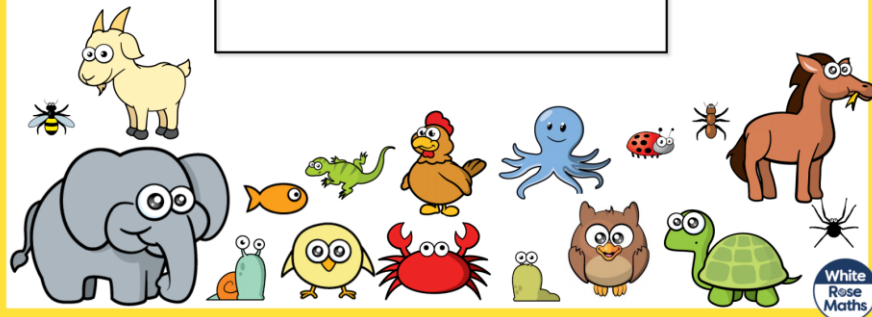

We are 2 creatures. We have 8 legs.

Starting with a Story

Talking Together

We are 3 creatures. We have 10 legs.
