

Hello Year 1. I hope you are all well and enjoying your time at home.

Please see this week's home learning suggested timetable for you to complete.

I understand that these are uncertain times with many parents working from home. There is no expectation to do every task and please feel free to adapt them to your child's needs and interests.

There are lots of ideas for activities on line. Keep an eye on Purple Mash as this is a great learning tool too. You can log on a freely and access the weekly activities section (let me know if you need your logins) Please continue to read every day

When you see this

that means you have an opportunity to share photos/ videos of your work with me on Tapestry.

I look forward to responding to your work in a new and exciting way.

I will also set one fun daily task on Tapestry each day. If you wish you can share photos of you completing the task I will respond to that too.

I will be rewarding your effort with house points via Tapestry. You can create your own exciting version of our school house point and collect them at home. You could decorate a special box or container to keep your house points in.

If you have any questions please contact me via Tapestry.

I can't wait to see your wonderful work.

Keep smiling, stay safe and be the best that you can be.

Lots of love,

Mrs Christou

Year 1 Suggested timetable 30.3.20

	Maths	English	Topic
<u>Monday</u>	<p>LO: I know what capacity means. I can say if a container is empty or full. I can compare two containers and use the less than, more than and equal signs.</p> <p>https://www.bbc.co.uk/bitesize/topics/zt9k7ty/articles/zp8crdm</p> <p>Watch the video clip and complete the three activities below it.</p>	<p>LO: I can write a high five sentence.</p> <p>Every day I would like you to write at least three sentences These could be about what you are doing at home, or what you would like to be doing! It could even be a story that you make up.</p> <p>Make sure that each sentence:</p> <ol style="list-style-type: none"> 1. Has a capital letter, 2. Has finger spaces, 3. Has a full stop 4. Has clever spelling (use your phonics and do not worry if it is not all correct) 5. Makes sense <p></p>	<p>PE</p> <p>LO: I can follow instructions for a dance routine and for yoga moves.</p> <p>Do not worry if you are at home, you can still be healthy and active.</p> <p><u>Start with a Just dance kids warm up</u></p> <p>https://www.youtube.com/results?search_query=just+dance+kids</p> <p>https://www.youtube.com/watch?v=tWSqNEs4IPg</p> <p><u>Go on a Cosmic kids yoga adventure.</u></p> <p><u>Teach someone at home how to join in and relax too.</u></p>

Tuesday

LO: I can compare the capacity of two objects. I can say which one holds more and which one holds less.

<https://www.twinkl.co.uk/resource/au-n-557-which-holds-more-powerpoint>

Go through the powerpoint. If your choice is correct a green circle appears on it. If it is not correct, a red circle will appear.

Can you find containers around your home and compare them by saying which one holds more or less than the other? Can you choose three and put them in order of capacity? Which ones holds the most and which one holds the least capacity?

LO: I can write a high five sentence.

Every day I would like you to write at least three sentences These could be about what you are doing at home, or what you would like to be doing! It could even be a story that you make up.

Make sure that each sentence:

1. Has a capital letter,
2. Has finger spaces,
3. Has a full stop
4. Has clever spelling (use your phonics and do not worry if it is not all correct)
5. Makes sense

Science

LO: I can say what the four seasons are and put them in order.

<https://www.bbc.co.uk/bitesize/topics/zkvv4wx/article/s/zcx3gk7>

Watch the video clip about seasons and complete the activity below it.

Wednesday

LO: I can compare and describe weights.

*Read through the above
powerpoint with a grown up.
Can you find objects around your
home and compare their weight?
Can you say which one is heavier?
Can you say which one is lighter?
Can you find two objects which
have the same weight?
You don't need scales for this, just
hold the objects and decide!*

LO: I can write a high five sentence.

Every day I would like you to write at least three sentences. These could be about what you are doing at home, or what you would like to be doing! It could even be a story that you make up.

Make sure that each sentence:

1. Has a capital letter,
2. Has finger spaces,
3. Has a full stop
4. Has clever spelling (use your phonics and do not worry if it is not all correct)
5. Makes sense

Art

LO: I can draw a picture to show a season.

Which season is your birthday in? Draw a picture to show that season.

	<p><u>Thursday</u></p> <p>LO: I can measure and compare the lengths of objects using informal units.</p> <p>https://www.twinkl.co.uk/resource/au-n-601-year-1-length-powerpoint</p> <p>Look through the above powerpoint? Can you find objects around your home, which are taller or shorter than each other? Can you find three objects and say which is the tallest? Which is the shortest?</p> 	<p>LO: I can write a high five sentence.</p> <p>Every day I would like you to write at least three sentences. These could be about what you are doing at home, or what you would like to be doing! It could even be a story that you make up.</p> <p>Make sure that each sentence:</p> <ol style="list-style-type: none"> 1. Has a capital letter, 2. Has finger spaces, 3. Has a full stop 4. Has clever spelling (use your phonics and do not worry if it is not all correct) 5. Makes sense 	<p>RE</p> <p>I can say what happened at the last supper.</p> <p>https://www.bbc.co.uk/bitesize/clips/zkyr87h</p> <p>Watch the above video clip. Can you draw the two things, which Jesus shared with his disciples at the last supper?</p> 
--	---	--	---

Friday

LO: I know the value of each digit in a 2 digit number.

<https://blog.topmarks.co.uk/2018/01/new-game-place-value-basketball/>

Look at the dienes and decide which number they make, and then click on the basketball with that number. If it is correct, the ball will go through the hoop!

Start with numbers up to 19. You can move onto the larger numbers when you are ready! (By the end of Year 1 we should be able to do this activity up to 99)

If you cannot access this game, can you draw the dienes for 13, 15, 19, 25, 29?

LO: I can read a word and decide if it is real or an alien word.

<https://www.phonicsplay.co.uk/PicnicOnPluto.html>

We have played this game in class. Make sure you feed Bob the real words!

Start from Phase 2 and work your way up.

PSHE

I can show how to let love in.

<https://www.heartsmart.school/hsCreative-dontforgettoletlovein->

Watch the above video clip. Can you draw how you like to show love for your family?
