

Dear Parents/carers,

I hope everyone has had a good week.

Well done to everyone for continuing to join in with the zoom lessons. You have all been working really hard. Thank you.

Here is the timetable for next week's learning along with some additional worksheets.

I look forward to seeing some of you next week.

Have a wonderful weekend

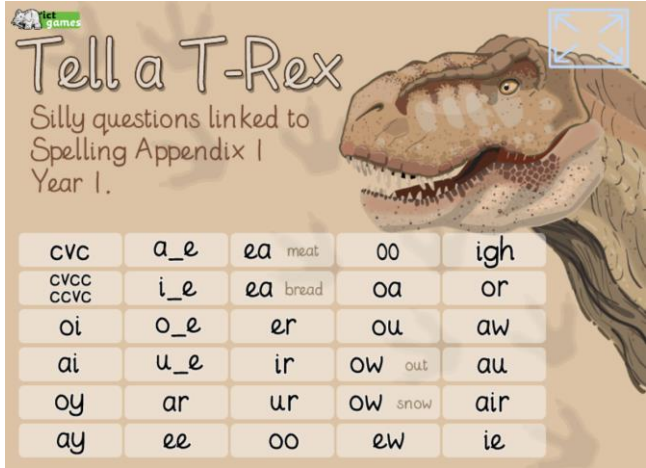

Best wishes, Mrs Man

Monday	<p>This week's maths is based on the story "The dinosaur that pooped a planet" By Tom Fletcher and Dougie Poynter"</p> <p>Please see the following link for the story.</p> <p>https://safeYouTube.net/w/DQRM</p> <p>Off we Go!</p> <p>First things first we need a rocket to help Danny and Dinosaur get into space.</p> <p>Design your own space rocket and get ready for count down!</p>	 <p>Have fun playing this "Yes/No Silly Question" game. Choose from four levels. A silly question will appear for you to read. All you have to do is answer the question by clicking yes or no. If you are right, the dinosaur will get some food.</p> <p>Try the CVC, then challenge yourself with the CVCC, CCVC</p> <p>https://www.ictgames.com/mobilePage/tellATRex/index.html</p>

Starting with a Story

Talking Together

Gather things from around your house to make your own rocket. Tubes, cups, cereal boxes and think about the shapes you would want to create. (You could use any objects around your house like before.) Danny has a lot of different shaped rockets to choose from!

Maths

Starting with a Story

Create your own rocket command station!

Take a cardboard box or cereal box and design your buttons! What shapes will your buttons be? Will you have a big red circle one like Danny?

Remember to count down from 20 to blast off!

Tuesday

You will have developed a lot of pattern and shape skills by now. Create your own ABC Dinosaurs or just one big one to poop a planet!

Starting with a Story

Make your own A, B and C Dinosaurs.

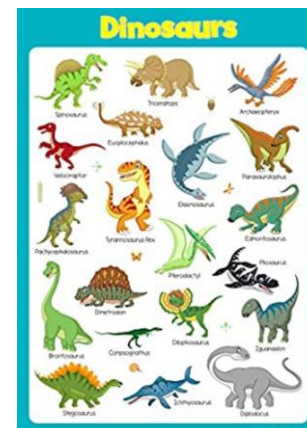

All you need is your hands and some paint! Dip your full hand in the paint and make your dino shape. Can you label your dino with how many scales, eyes, spots they have? Can you give your dinosaur a name?

White Rose Maths

Create your own dinosaur.

What does your dinosaur look like? How long are its arms? What does it eat? Get creative and draw your very own dinosaur. Don't forget to give it a name!

Wednesday

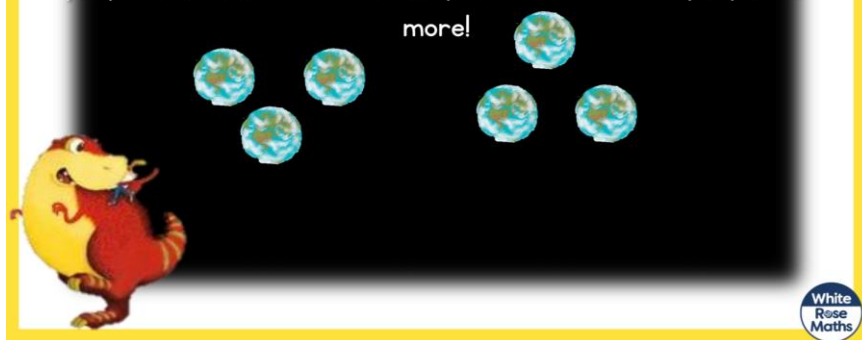

Pooping Planets

That Dinosaur just keeps on pooping! Keep an eye on him! Can you tell us how many that would be?

Starting with a Story

Talking Together

Danny is worried. The Dinosaur's tummy is rumbling. He is pooping planets! Count the planets the Dinosaur has pooped out and tell us how many there will be if he poops one more!

White Rose Maths

Practise your phonics and blending by reading the ditty sheet below.

Choose one of the green words below to write a sentence.

Ditty 13: the pet shop

Speed Sounds - read the sounds (not the letter name)

Rocket Doubles Game

Solve the double problems to make your rocket and get all the parts ready to set off!

Thursday

Create our own planet.

What will your planet look like? Do aliens live there?

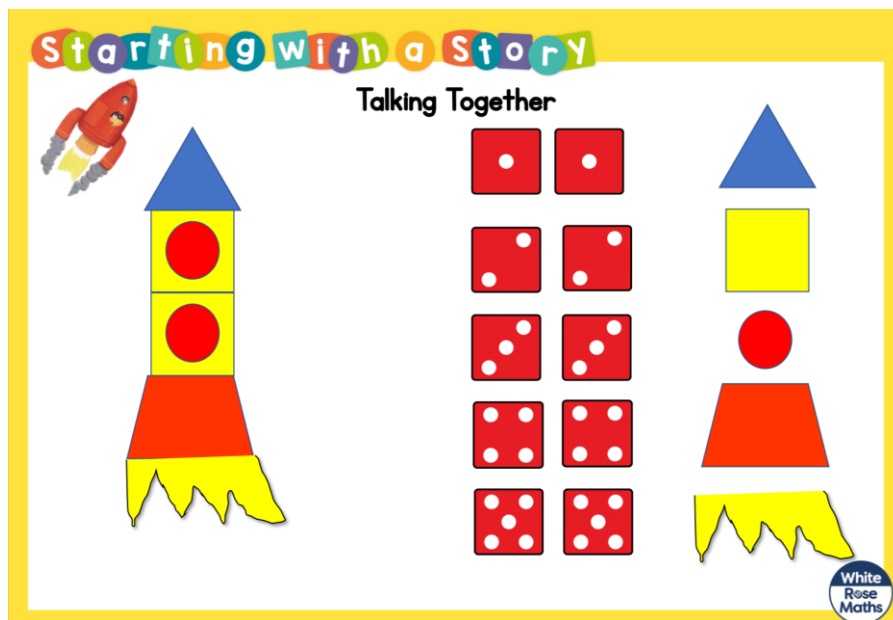

Do they have pets?

Will it be one that has been looked after or has it been eaten by a dinosaur? Will it have rivers or seas? Will it have islands?

What does your planet look like?

Get creative and draw your very own space scene. Don't forget to give your planet a name!

Rocket Ride!

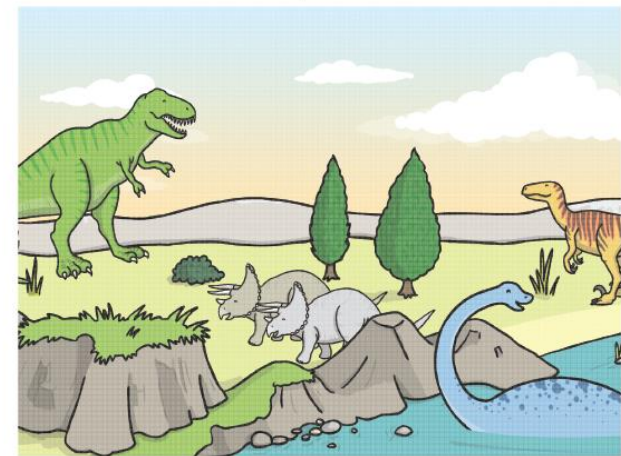

Danny's friends have found out about his adventures into space. They want a rocket ride but which one to choose? Draw the rockets and people or use different objects for your people.

Friday

What Can You See in the Dinosaur Scene?

Write some sentences about the picture.

Example: There are lots of dinosaurs.

Starting with a Story

Talking Together

Danny's friends want to go on a rocket ride. How many different ways can you share the children onto the 3 rockets? It doesn't have to be a fair share!
