Christian Distinctiveness at Holy Trinity

We are a Church of England Primary School serving the community around East Finchley.

As a church school, the governors and staff aim to weave our Christian distinctiveness into all aspects of the fabric of school life.

We aim to serve our community by providing a first-class education within a Christian context. We believe our school is a place where all are valued as individuals and as God's children —and the whole child matters to God. We care for the whole child and nurture their intellectual development as well as their other gifts.

We believe the school should provide stepping-stones between church and the community it serves, enabling children to be familiar with the teachings and the environment of the Church of England and providing children with a secure understanding of the Christian faith.

Our school provides the opportunity to experience what it is to live in a community that celebrates the Christian faith, offering a tangible, memorable experience of a lived relationship with God. It is a place where there is welcome, hospitality, encouragement, comfort, trust and understanding.

We aim to develop spirituality and a sense of meaning and mystery in everyone. School life is distinctively Christian within a broader spirituality, which encompasses all faiths represented in our community.

What will my child experience?

- Collective Worship (assembly): Every day we come together as a school family. Our worship is Christian in nature and includes stories, songs and prayers. It is led by teachers, children, members of the local churches or special guests.
- Religious Education (RE) lessons which cover Christianity and other world religions.
- Regular visits to church for special services and curriculum activities.
- Opportunities for prayer and reflection in class.
