"He moved swiftly."

**Can you use this word in a sentence?**

## CHILDREN'S NEWS

In science Year 2 are learning about Living Things and their Habitats. On Tuesday, they had a wonderful morning at Cherry Tree Woods bringing their learning to life. They explored microhabitats and identified mini beasts and were very careful to return their findings to their natural habitat.

A special mention to Scott and Seb who were very keen to clear the woods of rubbish. The future of our planet is in very good hands.

## SPORTING NEWS

Well done to our Year 6 football team who represented the school at the annual Year 6 tournament. They won one game and unfortunately lost the rest, but they all had a lovely time and were extremely well behaved.
