Remote Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we must be prepared for local restrictions. If local restrictions apply, the school will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

1. **Legal framework**

    1.1   This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:

    - DfE (2020) 'Safeguarding and remote education during coronavirus (COVID-19)'

    - DfE (2020) 'Adapting teaching practice for remote education'

    - DfE (2020) 'Guidance for full opening: schools'

    - DfE (2020) 'Get help with technology during coronavirus (COVID-19)'

    - DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'

    - [New] DfE (2020) 'How schools can plan for tier 2 local restrictions'

    - DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'

    - Department of Health & Social Care (2020) 'COVID-19 contain framework: a guide for local decision makers'

2. **Contingency planning**

    2.1   The school will work closely with the LA to ensure the premises is COVID-secure, and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.

    2.2   The school will work closely with the local health protection team when local restrictions apply and implement the provisions set within their contingency plan.

    2.3   The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.

    2.4   If local restrictions are **not** applied, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.

    2.5   The level of remote learning provision required will be based on the government's four tiers of local restrictions. Where there are no local restrictions in place, the school will continue to remain fully open to all, and these tiers will not apply.

    Tier 1 local restrictions

    2.6   The school will remain open if tier 1 restrictions are in place, and remote learning will not be provided at this time.

    Tier 2 local restrictions

2.7 The school will remain open if tier 2 restrictions are in place, and remote learning will not be provided at this time.

Tier 3 local restrictions

2.8 The school will remain open if tier 3 restrictions are in place, and remote learning will not be provided at this time.

Tier 4 local restrictions

2.9 The school will limit on-site attendance to just vulnerable children and young people. All other pupils will receive remote education in line with section 3 of this appendix.

3. **Teaching and learning**

3.1 All pupils will have access to high-quality education when remote working.

3.2 The school will use a range of teaching methods to cater for all different learning styles, this includes:

● **using comprehension, quizzes and online materials and workbooks**

3.3 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.

3.4 When teaching pupils who are working remotely, teachers will:

● Set assignments so that pupils have meaningful and ambitious work each day.
● Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
● Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
● Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
● Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
● Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers.

3.5 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.

3.6 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – **the headteacher will** assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.

3.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.

3.8 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.

3.9 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:

- Pupils in Years 3 to 11

- Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice

- Children in all year groups who are unable to access remote education whilst attending school on a hospital site

3.10 Before distributing devices, the school will ensure:

- The devices are set up to access remote education.
- Appropriate safeguarding controls and support are in place to help pupils and their families use the devices safely.

3.11 Once devices are ready for collection, the school will either arrange for them to be collected by families from school or delivered to pupils' homes, ensuring infection control measures are adhered to as part of this process.

4. Returning to school

4.1 The **headteacher** will work with the LA to ensure pupils only return to school when it is safe for them to do so.

4.2 After a period of self-isolation, or the lessening of local lockdown rules, the **headteacher** will inform parents when their child will return to school.

4.3 The **headteacher** will listen to all concerns that parents may have about their child returning to school and will advise them of the measures in place to ensure the safety of their child.

5. Monitoring and review

5.1 This policy annex will be reviewed in line with any updates to government guidance.

5.2 All changes to the policy will be communicated to relevant members of the school community.

11.13.   Holy Trinity CE School Remote Learning Scenarios:

Below are a set of different remote learning scenarios which the school has prepared for, outlining how provision of remote learning will be implemented in each case, dependent on the resources available to the school at that time. In all scenarios pupils will be expected to use technology and school platforms as outlined in the Pupil Acceptable Use Policy, adhering to high standards of behaviour and expectations just as they would do in school.

All remote learning provision is dependent on the circumstances and staffing available to the school at any given time.

In order for home learning to work around the schedule in the family home, all teaching will be pre-recorded. This is to ensure there is flexibility in the timetable to watch the lessons when it works best for parents and children. This also enables pupils to replay the recordings when needed. Pupils will see their teacher or TA twice a day during registration on a live Zoom or Google Meet, where the teacher/TA will be able to use this opportunity to go through the online learning being set for the day.

Scenario 1: A child self-isolating at home following a positive case

Provision:

- Class teacher to plan work in line with the school curriculum and work being covered in class for isolating pupils, in line with their peers in school.
- Children access a home learning timetable utilising a blend of resources from a range of contexts to meet the needs of that child (e.g. a combination of zoom registration/meeting with class teacher/TA, MyMaths, Purple Mash, TT Rockstars, BBC Bitesize, Oak Academy, White Rose, PPts, CGP workbooks etc)
- Depending on the age and needs of the isolating pupil, the school would expect the majority of pupils to be able to complete elements of work independently each day.
- Regular communication with family via Class Dojo. If the communication is work related, then this will be done via Google Classrooms.
- Technology access for children to be ensured by the computing lead.
- The pupil is expected to be available for learning during typical school day hours.

Assessment:

- Completed pupil work will be uploaded (handed in) to Google Classrooms.
- The class teacher to provide feedback to the pupil on a weekly basis for Maths and English and bi-weekly for foundation subjects.

Pastoral/Wellbeing:

- Regular communication with family via Class Dojo, email or phone call

SEND:

- Pupils with an EHCP to be provided remote and paper based learning on an individual needs basis with the assistance of their allocated teaching assistant and/or class teacher with advice from the school SENCO.

Scenario 2: A group of children from a bubble isolating at home following positive cases

Provision:

- Class teacher to plan work in line with the school curriculum and work being covered in class for isolating pupils, in line with their peers in school.
- Children access a home learning timetable utilising a blend of resources from a range of contexts to meet the needs of that child (e.g. a combination of live registration with teacher/TA, pre-recorded lessons, MyMaths, Purple Mash, TT Rockstars, BBC Bitesize, Oak Academy, White Rose, PPts, CGP workbooks etc)
- Depending on the age and needs of the isolating pupil, the school would expect the majority of pupils to be able to complete elements of work independently each day.
- Regular communication with family via Class Dojo. If the communication is work related, then this will be done via Google Classrooms.
- Technology access for children to be ensured by the computing lead.
- The pupil is expected to be available for learning during typical school day hours.

Assessment:

- Completed pupil work will be uploaded (handed in) to Google Classrooms.
- The class teacher to provide feedback to the pupil on a weekly basis for Maths and English and bi-weekly for foundation subjects.

Pastoral/Wellbeing:

- Regular communication with family via Class Dojo, email or phone call

SEND:

- Pupils with an EHCP to be provided remote and paper based learning on an individual needs basis with the assistance of their allocated teaching assistant and/or class teacher with advice from the school SENCO.

Scenario 3: A year group bubble isolating at home following positive cases

Provision:
