EXCITING NEWS

We are very pleased to announce that Mrs West is expecting her second baby in October. Congratulations to her and her husband Mike. I am sure that Mason will be very excited to find out if he has a brother or sister.

SUMMER EVENT PLANS

As restrictions begin to ease and rates of infection decrease, we are provisionally planning our Summer events. We will be guided by the roadmap out of lockdown and the government guidance for schools but we are hopeful that after June 21st we are able to welcome more families back into the school grounds. This will hopefully enable us to run some of our much loved summer events. We hope to hold the following events, with some adaptations to keep children and families as safe as possible:

KS1 & KS2 Sports Day (date to be confirmed)- we will hold staggered times throughout the day for Year 1 & 2, Year 3 & 4 and Year 5 & 6 to take part in sporting activities. We are hopeful that parents /carers will be able to come onto the school field to watch their children participate in their sporting events.

Thursday 14th - Y6 Production - this year, Year 6 only will perform in the production. This is so we can arrange socially distanced seating in the hall for parents and carers of Year 6 pupils. Due to Covid restrictions for schools, we will not be able to mix the other class bubbles for the usual KS2 rehearsals and production.

Monday 19th July - Summer Concert - we hope to hold a whole school summer concert on the school field after school. Again, dependent on government guidance for schools.

Wednesday 21st July - Y6 Leavers' assembly - Year 6 parents will be invited into the school hall to watch their child's final assembly at Holy Trinity before moving on to secondary school. Once again, seating will be socially distanced.

All of the proposed plans will depend on government guidance for schools nearer the time. More details will be released when we have clearer guidance.

We are grateful that the staff have been able to create online versions of our usual school events, such as Harvest festival, KS1 Christmas production, Christingle service and Easter service. However, we are looking forward to welcoming parents back to watch some 'live' events in school and bring our community back together.

RECYCLE WITH MICHAEL

Children will be bringing home a bag during next week, for you to fill with any unwanted (but in good condition clothes, etc). Can you please put any additional items in a closable bag. (eg. a tied up black bin liner.) For every kilo collected we receive money for the school. Please do not send bags in until week beginning Monday 17th May. Thank you.

WHAT CAN I DONATE?

| YES PLEASE: | NO THANK YOU: |
|--|--|
| <ul style="list-style-type: none">• Clothing• Shoes (preferably in pairs and tied together (if possible)• Socks• Pyjamas• Bed Linen (sheets, pillow cases, duvet covers) | <ul style="list-style-type: none">• Damaged clothing and shoes• Duvets, pillows, sleeping bags• Underwear• Electricals• Toys |

YEAR 2 NEWS

On Tuesday 4th May, Year 2 took part in a virtual Pollution Solution workshop. We met professor Jeni and Professor George. They taught us about what pollution means and that it is bad. Carbon dioxide makes the world too hot and animals, people and nature die. So stop driving cars - ride a bike, scoot or walk, thank you.

My favourite part was learning about what pollution means and what it does. There was a funny bee called Vib. Plants stop the pollution from travelling in different places. We should plant lots of plants to help pollution from spreading. Thank you Mrs Christou for organising.

HTSA NEWS

Dear Parents and Carers,

We really want to re-ignite the family relationships and community of our school.

We want to find ways where we can spend time together as families, adults and children and bring the community back together – and hopefully as part of that we can do some fundraising for the school and our children too.

We can take the opportunity to re-shape and re-ignite. We want to bring together the motivations, experiences and talents of families to be part of the parent and teacher association, to build a community for the wellbeing of families and the school as a whole. We are more successful as a thriving community.

With that in sight I hope you will be able to join us on **Monday 10th May at 5:30pm** for a short zoom meeting to discuss ideas around how we can together achieve this.

Mrs West will also update us on how the money we have raised already has been spent and other ideas on the wish list.

No need to turn camera on - but as many people can join, the better our outcomes will be for our school community and children.

I really look forward to seeing you then.

Thanks Nic (Chair)

PS. Zoom details to follow via your HTSA rep

CHRISTIAN VALUE— COMPASSION

Zechariah 7:9

This is what the Lord Almighty says:
'Administer true justice; show mercy and compassion to one another. Do not oppress the widow or the fatherless, the alien or the poor. In your hearts do not think evil of each other.'

British Values

3rd – 9th May 2021

Mutual Respect and Tolerance

It is important to respect other people's feelings and check if it's OK before we copy someone. Some people may not mind if we copy what they do or say, but others may get upset.

Picture News
For the Early Years

UN Rights of a Child

If someone copies us, we have the right to be protected from being exploited by them. This means that no one should take advantage of us when they copy what we say and do.
