

Year 5 Home Learning Plan

Dear Parents and Carers

Welcome to a new week of home learning and thank you for your continued support.

As we welcome more children back to school, I understand the importance of keeping Year 5 focused and motivated while still working from home.

Zoom Teaching Sessions

- Each week your child will be invited to three Zoom learning sessions with me. One will have an English focus, another maths and the third will be guided reading.
- Maths sessions will follow the White Rose plans. If you can print out the worksheets, we will be using them however it is not a problem if you cannot.
- English sessions will be based around writing composition, vocabulary, grammar and punctuation.
- Sessions will be 30 minutes long and the most you will usually need is a pencil and paper.
- Your child's 3 Zoom codes will be sent to you on Class Dojo by Monday. Codes will stay the same each week.
- Group set up and times of meetings cannot be changed.
- Please let me know if your child is unable to attend before the meeting.

Contacting me

- Y5 Zoom sessions will take place between 10:00-10:30, 11:15 – 11.45 and 12:00-12:30.
- If you have a query and need to contact me, please send a message via Class Dojo and I will do my best to reply as soon as possible.

Planning

- Planning for maths will follow White Rose. <https://whiterosemaths.com/homelearning/year-5/>
- The worksheets and answers are available on the school website.
- English plans will follow Oak Academy. If you have chosen not to follow this programme, please encourage as many daily reading and writing opportunities as you can. <https://www.thenational.academy/online-classroom/year-5#schedule>
- MyOn has a wonderful range of books to share. <https://www.myon.co.uk/login/index.html>
- In addition to maths and English, Y5 will undertake a project (e.g. The Maya) which will take several weeks to complete and involve the foundation subjects and independent research.
- For ideas for PE and other Foundation subjects, follow the Oak Academy link or useful links from our School website.

Class Dojo work

- Class Dojo is a wonderful platform to share the many experiences that you are enjoying at home and I enjoy seeing your artwork, baking skills, keep fit efforts etc. I will continue to respond to these with a, 'like.'
- More detailed response will be given to your maths and English work.
- Keep collecting those Class Dojo points, it is important to celebrate your successes.

I hope that these changes will prove to be successful and I look forward to seeing more of the children on our Zoom teaching sessions. I cannot wait for the day when we can all be together again.

All the best,

Miss Bright

"Love one another. As I have loved you, so you must love one another" John 13:32
